Reference: FEC letter RQ-7 dated 20 December, 2010/ Committee ID C00267385

Dear Ms. Chacona,

Thank you for the referenced letter. As a small organization staffed entirely by volunteers we are especially sensitive to letters from the FEC.

Before I proceed to explain the results of our investigation into the issue you bring up, I would like to address three issues with your letter.

- 1. Your letter is addressed to our former Treasurer. I believe we submitted FEC Form 1 in July 2009 notifying the FEC of the change in Treasurer. Failure to apply this change to correspondence can result in delaying our response to important requests by the FEC. Copy of this form is attached. (attachment 1)
- 2. Your letter states that we failed to file the Post-General Report as required. In fact, we did file this report on schedule. Copy of the receipt is attached. (attachment 2)
- 3. Your letter also states in the same reference that the date range of the missing Post-General Report was October 1 thru October 13. In fact, this is the date range of the 12 Day Pre-General Report. This misstatement caused some confusion on our part until we figured out the meaning.

As for our error, we optioned to not file the 12 Day Pre-General Report because there were no reportable transactions for the period. However, when we did file the Post-General report, we inadvertently made the start date October 14 instead of October 1. We could have filed an amended Post-General Report to correct this, however, at the suggestion in your letter, we just filed the missing Pre-General report instead.

I hope this explanation is satisfactory and clears up the issue in your letter.

Regards,

Rachel Rifkind
